

Comrade Lin Piao's Speech

— At the Peking Rally to Receive Revolutionary Teachers
And Students From All Parts of China

(September 15, 1966)

Comrades, Students, Red Guard Fighters:

In order to carry out the great proletarian cultural revolution well, you have come from all parts of the country to Peking, and are here by the side of our great leader Chairman Mao. You have travelled a long way and worked hard! I greet you on behalf of Chairman Mao and the Central Committee of the Party. We extend you a warm welcome!

Led by Chairman Mao, and guided by the 16-point decision drawn up under his leadership, the great proletarian cultural revolution in our country is advancing triumphantly on a nationwide scale. The situation is very fine! It is getting finer every day.

Red Guard fighters, revolutionary students, the general orientation of your struggle has always been correct. Chairman Mao and the Party's Central Committee firmly support you! So do the broad masses of workers, peasants, and soldiers! Your revolutionary actions have shaken the whole of society and given a blow to the dregs and left-over evils from the old world. You have scored brilliant successes in the vigorous fight to destroy the "four olds" [old ideas, old culture, old customs and old habits] and foster the "four news" [new ideas, new culture, new customs and new habits]. You have created utter consternation among those in power who are taking the capitalist road, the reactionary bourgeois "authorities," and bloodsuckers and parasites. You have acted correctly and done well!

Chairman Mao teaches us that the fundamental contradiction to be solved by the great proletarian cultural revolution is the contradiction between the two classes, the proletariat and the bourgeoisie, and between the two roads, the socialist and the capitalist. The main target of attack in the present movement is those in the Party who are in power and are taking the capitalist road. To bombard the headquarters is to bombard the handful of persons in power who are taking the capitalist road. Ours is a socialist country under the dictatorship of the proletariat. The leadership of our country is in the hands of the proletariat. It is precisely for the purpose of consolidating and strengthening our dictatorship of the proletariat that we must struggle against and over-

throw the handful of persons in power who are taking the capitalist road. Quite clearly, the handful of reactionary bourgeois elements, and those belonging to the five categories of landlords, rich peasants, counter-revolutionaries, bad elements and Rightists who have not really turned over a new leaf, are different from us. They oppose the dictatorship exercised over them by the broad masses of revolutionary people headed by the proletariat, and they are trying to bombard our headquarters of the proletarian revolution. Can we tolerate these actions? No, we must smash the plots of these ghosts and monsters, we must see through them, we must not let their schemes succeed. They are only a small handful, but they can deceive some good people at times. We must keep firmly to the general orientation of our struggle. Any deviation from this general orientation will lead us astray.

In the great proletarian cultural revolution, the broad masses of workers, peasants and soldiers and the revolutionary students have a common aim and their orientation is the same. All of them must unite and go forward hand in hand under the banner of Mao Tse-tung's thought!

Some people are now going against Chairman Mao's instructions and the 16-point decision. By exploiting the profound class feelings of the masses of workers and peasants for the Party and Chairman Mao, they are creating antagonism between the masses of workers and peasants and the revolutionary students and are inciting the former to struggle against the latter. Under no circumstances must we let them hoodwink us!

The masses of workers, peasants and soldiers, under the leadership of the Chinese Communist Party headed by Chairman Mao, have always been the main force of the revolution in our country. Today, they are the main force of the socialist revolution and socialist construction in our country and also the main force in the country's great proletarian cultural revolution.

Our masses of workers, peasants and soldiers must follow Chairman Mao's teachings and stand fast at their posts in production and combat stations. They must stand firmly on the side of the revolu-

Our most respected and beloved great leader Chairman Mao Tse-tung, his close comrade-in-arms Comrade Lin Biao and Comrade Chou En-lai together with representatives of revolutionary students from all parts of the country

tionary students, support their revolutionary actions and give them powerful backing.

The Red Guards and all revolutionary youth are good sons and daughters of the Chinese people. You must learn from the workers, peasants and soldiers. Learn from them their extremely firm revolutionary stand and their most thoroughgoing revolutionary spirit. Learn from them their high sense of organization and discipline and all their other fine qualities. Like the workers, peasants and soldiers, be for ever loyal to Chairman Mao, to Mao Tse-tung's thought, to the Party and to the people and temper yourselves in the great storm of the revolutionary struggle to become successors to the proletarian revolutionary cause.

Under the leadership of Chairman Mao, our great leader, great teacher, great supreme commander and great helmsman, and under the banner of Mao Tse-tung's thought, let the masses of workers, peasants and soldiers and the revolutionary students unite, let all revolutionary comrades unite, and carry the great proletarian cultural revolution through to the end.

Long live the great proletarian cultural revolution!

Long live the great Communist Party of China!

Long live the ever-triumphant thought of Mao Tse-tung!

Long live the great leader Chairman Mao! Long live, long live Chairman Mao!
